

## **BRITISH ANIMATION**

**Moley, 5.30pm, Boomerang**

---

**THERE'S** definitely a message in episode one of this sweet new British cartoon, in which a 'magic rectangle' (a phone) disrupts the lives of Moley (pictured, voiced by Warwick Davis) and pals. Listen out for the voices of Charles Dance, Julie Walters and Richard E. Grant. (Sky 603, Virgin 730)
